Of the 277 plants profiled in The Gardener's Companion to Medicinal Plants, there are 24 which have been particularly highlighted and a recipe included which you can try at home. I am quite taken with the Rosemary infused oil which is meant to be good for muscular problems and I love the idea of using plantains to make a balm to relieve the itching from bites, stings and nettle rash although having got rid of my lawn I'm not sure where I will find enough plantain.
